

OXFORD IS HIRING!

Career Opportunity

Reporting to the Lead Publisher: Content and Digital, this challenging position involves conceptualising, planning, commissioning and managing a list of strong, profitable market-facing products that achieve market approval and sales to meet the strategic objectives of OUPSA.

Mathematics Publisher

The successful applicant will need: ● A relevant tertiary degree ● 3–5 years of publishing experience in conceptualising and producing products for the South African schools market ● Teaching experience (advantageous) ● 2 years of people management experience ● Understanding of pedagogy in the relevant subject area ● Excellent conceptual and technical skills ● Financial acumen and budget management ● Proven ability to communicate effectively at all levels ● Public speaking and presentation skills ● Ability to lead and manage a team ● Proven project management experience ● Permissions management experience ● Experience in digital content creation (advantageous).

If you are passionate, display initiative and flexibility and are deadline driven, we would like to hear from you.

Remuneration will be commensurate with experience. We offer pension and medical aid benefits, 20 working days leave, statutory leave, training opportunities and engaging work in a rewarding and ethical environment.

Oxford University Press, an equal opportunity employer, seeks a talented individual to fill this permanent post in its Schools Publishing Department, based in the Cape Town area. Oxford University Press will consider all applications in terms of its Employment Equity Plan, which acknowledges the need for transformation.
