

Pearson

Pearson is the world's learning company with more than 24,000 employees in nearly 70 countries and we are on a mission to help people make progress in their lives through learning. We combine world-class educational content and assessment, powered by services and technology, to enable more effective teaching and personalised learning at scale.

Digital Literacy Citizenship

With more work than ever before happening online, possessing the skills and tools to work on digital platforms is no longer only an advantage but has become vitally important. At Pearson, we recognise the importance of acquiring the digital skills users need to flourish in South Africa.

Our Digital Literacy Citizenship course is a self-paced online, modular and nonlinear programme for South Africans who need to build their 21st-century digital literacy skills and will be FREE to new users registering in April.
